hello.

Today, I'm going to post about Mapo Jokbal Sundaeguk near Sindorim Station!

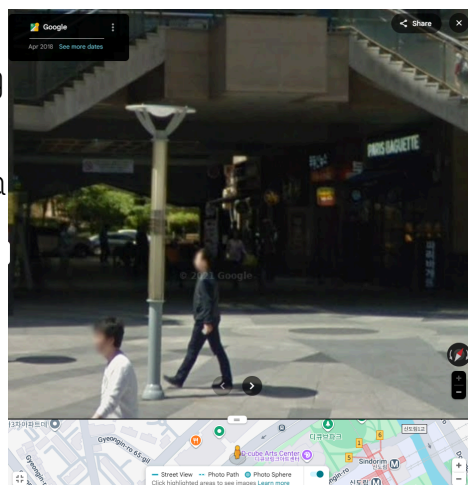

Mapo Jokbal Sundaeguk

Mapo Jokbal Sundaeguk  
Sindorim 1st Prugio, 661 Gyeongin-ro, Guro-gu, Seoul

3. Taking to Google Maps and going to the address listed showed a different Paris Baguette, but familiar places in the area.
4. Knowing this, I took to walking around the streets until I located the proper bridge area with the recognizable bridge and Paris Baguette.
5. From there, I looked around Google Maps on Street View until the building district was found on the side of a building.
